

## **Equipment Information**

The Groton Soccer Association invites area businesses to "sponsor" jerseys for our soccer players, enabling the players to receive the jerseys free of charge. However, a \$20 deposit is required before a player receives their jersey (checks only). This deposit will be returned at the end of the season when the jersey is returned to the team mom - providing no damage has been done to the jersey. In the past jerseys have been cut off and damaged in other ways - this will not be tolerated as the Groton Soccer Association cannot afford to keep replacing the jerseys.
